SUMMARY

- Dynamic and adaptable leader with a unique blend of cultural leadership and technical expertise. Experienced in guiding teams, organizing impactful events, and developing innovative tech solutions that meet diverse needs. Versatile in adapting to new challenges, fostering collaboration, and driving projects from concept to completion. Passionate about continuous learning, problem-solving, and creating meaningful experiences that combine creativity, strategy, and technology.

EDUCATION

Savitribai Phule University

Pune, Maharashtra

B.E.

Graduation Date: Jul 2027

WORK EXPERIENCE

Plasmid

Pune, Maharashtra

Web Development Intern

Jul 2024 - Sep 2024

- Completed a 2-month full-stack internship, developing responsive web pages using programming languages HTML, CSS, and JavaScript.
- Optimized performance by 75% and worked on user interface development for 3 websites, improving load time and user experience
- Collaborated on 3 real-time project tasks with senior developers, consistently meeting deadlines and boosting professional development

Forage

Pune, Maharashtra

software Engineering Virtual Experience Intern

Jun 2025 - Jun 2025

- Completed a virtual software engineering internship, simulating real-world tasks in system architecture, secure coding, and agile development, improving troubleshooting speed by 30%.
- Gained hands-on experience with scalable software design, debugging, unit/integration testing, troubleshooting, and threat mitigation using industry standard tools.
- Practiced agile workflows including sprint planning, iterative development, and collaborative team processes in a professional engineering environment.

PROJECT EXPERIENCE

Pune Vidyarthi Griha

Pune, Maharashtra

Farmer AI Chatbot

- Developed a **Farmer AI Chatbot** using **Python**, **NLP (spaCy/Transformers)**, and **semantic similarity models** for query understanding.
- Trained the system on **agriculture-specific CSV datasets** to provide context-aware answers on crops, fertilizers, and weather.
- Designed a **scalable, user-friendly solution** to support farmers with accurate and context-aware responses.

Pune, Maharashtra

Fake News Detection

- Built a machine learning model in Python to classify news articles as real or fake using Natural Language Processing techniques, achieving 85%+ accuracy with Logistic Regression.

- Collected and pre-processed 5,000+ online articles, applied TF-IDF vectorization for feature extraction, and trained multiple classification models.
- Focused on practical ML implementation, data cleaning, and efficient information retrieval, demonstrating strong skills in text classification and model evaluation.

Food Express

- Developed a Flutter-based food delivery app with 3 categories (Veg, Non-Veg, Snacks), 100% time-based snack availability, and 95% accurate real-time order tracking using token generation.
- Designed a user-friendly interface and implemented 100% order validation for seamless user experience and reliable transactions.
- Introduced a pre-order system, reducing customer wait times by 40%.

Pune Vidyarthi Griha

Pune, Maharashtra

E-commerce Website

- Built a fully functional e-commerce website using HTML, CSS, JavaScript, and Node.js, featuring 50+ product listings, cart, and secure checkout.
- Developed backend logic to handle 100+ simulated user transactions with real-time cart updates and user authentication.
- Designed a responsive UI with 5+ product filters and optimized layouts, improving navigation speed by 30% during testing.

SKILLS & INTERESTS

Skills: • Java, HTML/CSS, JavaScript, Python, C, C++, Flutter, JavaFX, Node.js, Data Structures and Algorithm (DSA), Mobile Application Development, GIT, GitHub, Leetcode, VScode, MYSQL, Firebase, Cloud, Artificial Intelligence, Leadership, Event Management, Team Coordination.

Interests: • Classical Dance(kathak), Event management, Travelling, Creative writing.

LEADERSHIP EXPERIENCE

Sarvodaya Vivek Jeevan Vidya Public School

Gadhinglaj, Maharashtra

Cultural Minister

Jun 2019 - Jun 2021

- Led and coordinated multiple cultural events, managing teams of students and staff to ensure smooth execution.
- Represented the school at district and state-level cultural forums, achieving recognition for event excellence.

Pune Vidyarthi Griha

Pune, Maharashtra

Student Representative of PVG'S Artcircle

Jul 2024 - Oct 2024

- Represented PVG's Art Circle, acting as a liaison between students and faculty to promote cultural and artistic activities.
- Coordinated and led art exhibitions, workshops, and inter-college events, boosting participation and visibility.
- Managed event planning, budgeting, and promotion, ensuring the successful execution of cultural initiatives.
